Subject: TO-035 Upper Animas

Hi Mike, Richard,

We have finished the preliminary review of the Sunnyside document collection for social security numbers (re: TO-035 Upper Animas). We identified seven documents containing SSNs and the information has been redacted. The redacted text currently is marked with “FX-6 Personal Privacy” to correspond with the FOIA exemptions. If you would like the redactions to

read with alternate text, we can easily change this. Please let me know your preference. We will provide the updated collection to you by the end of the week.

Thank you,
